

Choice Board 9

The LAST one!

RLA	Social Studies	Science	Math	CA	Math 180
<p>Writing</p> <p>Write a letter to next year 6th grader. Tell her/her how to be successful in 6th grade. Begin your letter like this. Dear 6th grader, Congratulations you made it. Make sure to sign your name at the end.</p>	<p>COVID-19 will go down in history. Write a couple paragraphs about how your life has changed in the last couple of months. What has been good and bad about quarantine.</p>	<p>Science Design/Experiment: Rube Goldberg came up with incredibly complicated machines to do very simple tasks. Watch the following videos of some Rube Goldberg machine and then come up with your own design. If you build one, video how it works and send that too.</p> <p>https://www.youtube.com/watch?v=0lz8_aKNXA</p> <p>https://www.youtube.com/watch?v=OHwDf8njVfo</p>	<p>Draw 8 cards from a deck of cards and use those 8 cards to create the largest whole number possible and the smallest whole number possible.</p>	<p>Wellness- Design a 5 station water field day adventure. Describe the station and how long a participant would compete at that station. Be creative and think of household items that could be used. Submit your plans to your wellness teacher. Enjoy your summer break and keep finding ways to stay active.</p>	
<p>Mythology: One more chance to video your commercial. See directions from Choice Board #8. The video's we have received</p>	<p>Create a PowerPoint about two different well-known people, compare and contrast them.</p>	<p>Science Research:</p> <p>You've probably seen an increase in the number of birds in your area over the last few</p>	<p>Draw 5 cards from a deck of cards and use those 5 cards to create the largest decimal possible and the smallest</p>	<p>Technology</p> <p>Digital Escape Room</p> <p>https://platform.breakoutedu.com/game/play/guing-buggy-78</p> <p>https://platform.breakoutedu.com/game/play/fi</p>	

<p>have been very creative!</p>		<p>weeks. Look up the cardinal, red winged black bird, robin and bluebirds.</p> <p>Some of the same species have different coloration. What's the difference?</p> <p>Once you find the difference, why might they have different colors?</p>	<p>decimal possible.</p>	<p>eld-day-funnanigans-136</p> <p>If you get stuck, please email Mrs. Carr for help (mkcarr@k12.wv.us). Once you "Breakout" take a screenshot and email it to Mrs. Carr.</p>	
<p>Make Up: Go back to any choice board and do an assignment that you did not complete.</p>	<p>Create a brochure about different tourist attractions in West Virginia.</p>	<p>Science Journal:</p> <p>Revisit the trees we looked at the beginning of the choice boards. Grab some of the leaves for your journal. Preserve them using the method in the following video:</p> <p>https://www.youtube.com/watch?v=NvfZpuY40iA</p>	<p>Using a deck of cards, create six different four digit numbers that go to the thousands place. Write those numbers down from smallest to biggest. Then write each of the numbers in expanded or word form.</p>	<p>Music: What is one song/singer that makes you think of summer? Write at least 4 sentences describing how this song "feels like" summertime to you.</p> <p>Theater Teams meeting FRIDAY May 29 at 2:00. Note day change!</p>	

Check out the Library's ***Let's Keep Reading*** web page. It is updated weekly with book previews, trailers, links to free ebooks, and other great "reading" finds and activities on the web. You can navigate to the link from the TCMS Library's main page or just go directly to the page using this url: <https://www.smores.com/4z6u0>
